# County Treasurer seeks owners of \$413k in unclaimed funds! *Deadline to claim: September 8, 2015*

*San Diego, CA...* San Diego County Treasurer-Tax Collector Dan McAllister announced today that his office is seeking property taxpayers and others, who may have done business with any department of the County of San Diego in the past four years, to review the **Final Notice of the Unclaimed Monies list** at: [www.sdtreastax.com](http://www.sdtreastax.com). The remaining unclaimed funds, as of September 8, 2015, will be “escheated” to the County’s General Fund.

“We have a large number of funds available to claim this year,” stated McAllister. “Our goal in the next several weeks is to find the rightful owners. I urge people to check the ‘Final Notice List’ and claim their monies today. Final written notices have been sent to the last known mailing address for each refund owed. However, we have received returned notices and some checks have not been cashed.”

The County Treasurer-Tax Collector’s office has **4,179 unclaimed accounts, which amount to approximately \$413,540 in funds available to claim.** Of that amount, \$265,151 is unclaimed property tax refunds, and another \$148,389 is from various County departments that consumers have dealt with in the past four years. The lowest amount available is \$.01, and the highest is \$ 2,972.77 to Homecomings Financial.

Current state law allows county-wide monies that remain unclaimed for more than three years and property tax refunds that are unclaimed for more than four years to be turned over to the County’s General Fund.
